FERNANDA OLVERA

Mexicali, MX | tcc7130@gmail.com

Professional with 5 years of experience in back end developing. I am looking to join a team where I can contribute my experience and continue developing my skills

EXPERIENCE

NOV 2019-MAR 2025

WEB DEVELOPER, SPARK TECHNOLOGIES

Implemented RESTful APIs to integrate internal and external systems, improving interoperability across platforms

Developed and maintained responsive web applications using technologies such as HTML5, CSS3, JavaScript and frameworks such as MVC5.

Worked as part of a team to implement new features on a ERP.

Optimize website performance, reducing load times by 40% using image compression and code minification techniques.

Designed and integrated SOAP services into enterprise applications, using technologies such as .NET to create secure and scalable web service interfaces.
